

# God Made Me Special

Trace over the word 'unique'. One at a time press each fingertip into an ink pad. Press down on the paper where each fingerprint should go on the hand below. Look at each fingerprint with a magnifying glass to see that your fingerprints are unique. Then in the next box write or draw things that make you special

My fingerprints are unique.

These things make me special.

I praise you because you made me in an amazing and wonderful way. What you have done is wonderful. I know this very well. Psalm 139:14
